“ *I'm so sorry I wasn't able to make it to either the visitation or the funeral. I had no idea Danny had been sick. I have such good memories of the Manley family and of Danny when I stayed at their house as a little girl. A couple of times a year I make a circuit through Bald Knob and visit grave of friends & neighbors. Danny's grave will be visited on those occasions. Prayers for his children and family.*

“ *I almost cried when I saw this picture, it looks just like I remember him when we were growing up in Bald Knob. His family and mine were close for many years, it was a good family. This makes me so sad.*

“ When I opened the newspaper my heart sank. The picture took me back to school days at Bald Knob where we all went to school. Our daughter Penny Kaye Lefler went to school with Matthew. I am so sorry for the passing of your loved one. I am glad our paths crossed. I hope the comfort of God's big loving arms comfort you all as a family as you travel this season in life. Glad to have had him for my friend.
