“ *I am so sorry for your loss! Our Creator did not intend for us to live just 70 or 80 years. His original purpose in Eden was for us to live forever right here on earth. I am comforted when I read the many resurrections Jesus performed in the Bible. These build my faith in God's promise at Revelation 21:4 that "death will be no more". I hope these thoughts comfort you too in this time of grief.*
