“ I am heartbroken over Dar’s passing, she was like a sister to me. The first day we ever met, we just clicked. She was my shopping buddy, we both loved going shopping and would be gone for hours buying stuff we didn’t need. We talked on the phone almost everyday, sometime for hours. I sure do have good memories of Dar and will keep them close to my heart. My thoughts and prayers are with Mark, Karen and the rest of the family. Until we meet again, sista!

“ Darlene & I were in grade school through high school together, we were both in the same Girl Scout troop. Thanks to our high school ladies group, we shared many laughs & sometime tears as we gathered together several times a year. Darlene will be greatly missed by her many friends & family.

“ I have know Darlene since we were in 3rd grade. In high school we were practically inseparable. We both were track and field managers. We played softball on the same team. She went with my parents and myself to Daytona Florida once or twice. She was my best friend in school. I will miss her greatly.

Darlene was one of the first people I met when moving to Frankfort twenty some years ago. We've shared many good times with each other as well as with our husbands as couples. You will truly be missed, Darlene. I just know you are at peace right now and that is comforting to all who knew you. Enjoy the reuniting with your Mom!
