

## Dave Ward

January 27, 1941 - August 23, 2024

Dave left this earth too early and will be missed beyond belief. He loved his family, was passionate about the game of golf, knew every dog's name in his neighborhood, and was completely committed to his job at CDP for 59 years. He is survived by his wife of 62 years, Marge, his two daughters, Lynn Ward and Shelly (Preston) Cecil, and his two granddaughters, Regan and Riley. A Celebration of Life will be held in his honor at the Frankfort County Club on September 7, 2024, at 1:00 p.m.

In lieu of flowers, expressions of sympathy may be made to CJD Foundation, Inc, [cjd.foundation.org/](http://cjd.foundation.org/)

Arrangements are under the direction of Harrod Brothers Funeral Home & Crematory.

“ Almost every day I would work at the country club, I would see Mr. Ward walking the neighborhood. Every time I passed him we would always wave at each other. I never knew him personally but I'm going to miss that. My condolences to his family and friends.

“ Dave was always willing to help and had an answer every time for us on how to fix whatever issue we were having. He would lay things out step by step and was always so reassuring and patient. Dave was so dedicated to the job and to us here at North Central, he will be missed.

“ Dave was the “Wizard” behind the OZ of CDP. He was always so patient, kind and helpful. There will never be another Dave. His dedication was unparalleled with anyone I have ever known and I'm certain his friend and family will feel this tremendous loss. I can only imagine the golf game he's having in heaven. Dave, thank you for a job beyond well done and all your service to the LHD's!

“ Dave was so kind and patient with me when I started working at Lawrence County Health Department in 1991. When I would call him, his first comment was what did you do, and I would say know Dave who knows but I know you can fix it for me. He was my go-to person for over 20 years, and I know he will be greatly missed by everyone.

“ Dave was such a sweetheart! He was always available to answer any work question I had, no matter how many times I had to ask the same question over the years. His expertise and knowledge of all things CDP will be greatly missed. DeeDee Yantz with Oldham County Health Department
