“ You will be so missed! The laughter we shared was beyond any other. The fun we shared! “Even if we had a peeping Tom, during our stay in siesta keys” on a more serious note: thank you for the love you shared with my family! Thanking your family for sharing the love with my family. We made so many meaningful memories but never enough. Chad and Amy, We will be praying for you both, for comfort and peace during this time! David “POPS” go rest high on that mountain! With all our love, prayers and sincere blessings!
