“ *Lecy Elovitz and I loved David. Always an adventure when we were with him. For example, we went too see Patti LaBelle. David loved her so much. The pictures show her laughing when she sees David dancing and pointing for him too come onstage and dance with her. Typical outing with David. Sorry they are not in order. I will make you copies if you want. Love too all of you.*

“ I loved David Presley. I always told him he missed his calling and should have been a comedian! He always had a joke to share and loved to make you laugh. I'll sure miss his hugs! Love you David💔💔

Yes, David was truly a comedian, but he also had a beautiful voice. He would sing church hymns to us while he was on his break working at The Office, Pub and Deli. His voice was so clear. I pray our good Lord will put His arms around David's family during this time. God bless.

David was one of the good guys. Met him in the mid-80s and became good friends. I was new to Frankfort and was readily invited into his group of friends and associates. Great haircuts, great dinners, great dancing. I miss him and hope we cross paths again in the great beyond. I'll bring along some good Patti. Blessing.
