“ *To the Price Family:*

Dave and I go way back in the service of the MOPH. We have known each other for at least 20-years. I want to express my sincere condolences to his loved ones. Dave will be sorely missed by all Purple Heart recipients, like myself. We are grateful for his work on behalf of our combat wounded veterans.

*Sincerely,
Fred Taylor

“ *Dave always said that I was his brother because we both had the same last name and that both of us came from the hills, me from West Virginia and he from Kentucky. Most of us wish that we had the right things to say at times like this, but, Dave lived life as it came, enjoyed it, and helped others enjoy life. His inspiration is well known by those who worked with him in the MOPH. Although he wasn't a Maine or Navy Corpsman attached to a Marine unit he did believe in our eternal Motto. Semper Fi Dave.*

“ I remember going to see Pete's Dragon with Uncle Dave and the family. I remember when he had his glittery boat and took us out for a ride. I remember Aunt Pat and Uncle Dave saying up all night playing cards with my parents while all us kids wreaked havoc all over the place. I remember July 4th in the back yard and BBQ fun. AND what a resume of service! Uncle Dave gave his country his all. RIP Uncle Dave.
