“ *I met Dave in 1979 when I worked for him in Personnel. I liked him right away. He was so witty and intelligent, and made me feel at ease in his presence. I truly respected him. We kept in touch through the years, and he never changed... always made me laugh, always reminded me about the roses memo.*

*Loretta, Becky and Laura, please accept my condolences. Dave will be greatly missed.*

“ *Dave was a pleasure to work with and always made everyone feel at ease. Although he did not live as long as some, he enjoyed life to the fullest and I know you have many special memories to hold during the difficult times and lonely hours ahead. May God bless you and keep you in His care.*

*Sincerely,*
