“ I'm so very sorry to hear of my friend Debbie's passing. I met Debbie and her family as a young teenager when my girlfriend introduced us. Debbie and her future husband Lee would double date with us. I was especially fond of her Mom and sister Beverly. Occasionally, before she retired, I would see Debbie at schools picking up her students for the bus ride home. I know she loved her students dearly. More recently, I also would see Debbie at Walmart and always got a big hug and a delightful smile. She was a beautiful lady and such a wonderful person. I will miss her dearly as well as everyone who knew her.

“ My condolences to the family. Debbie was so vibrant and beautiful. And she loved her son, and her dogs and we can't forget the paparazzi. When she retired from driving the bus we went to her retirement. We had a really great time and that is how Sam got to know her. She will truly be missed and register 6 will not ever be the same.
