“ *Debbie knitted hats and scarves for every child in my k class at Second Street for many years. She also volunteered whenever we were doing crazy projects and was always ready to read to the class. She was a great friend with an amazing sense of humor. She will be greatly missed.*

“ *I am so sorry to learn of the loss of Debbie and I send my heartfelt condolences. Debbie and I met while she was in the Children's room at the Paul Sawyer Public Library when we each had a toddler. Our older two children went through Second Street School and graduated from high school together so our paths have regularly crossed since then. Her presence in our community will certainly be missed.*
