Debbie and Toby were/are very special people. They as a couple were so gracious to everyone and invited into their families and lives with open arms and eye catching smiles. “ I met Debbie 10 years ago and she was one of the happiest fun-loving women ever. She loved her family and friends and would do anything for them. Her laugh and smile will be missed by everyone.

“ I first met Debbie and Toby in the late 80's. Debbie worked with my sister at State Police. Larry and I had a hayride on the back of the farm. From then on we were friends. Invited them to join us for a luncheon we had at KRC with family members and a few friends. They enjoyed so much they bought a camper we were selling and became long time campers. Of course the fact Bruce and Pam Miller (Toby's sister) were campers and the welcome and love they received from the campers made them a perfect fit with the KRC family. We have had thirty years of laughing, crying, dancing and even funerals. Wish I could be there for support for Toby, Monica, Ricky and Gibson as you and Toby were for me. May god bless your family during this most trying time. You all will be in my heart and prayers. I will miss that beautiful smile and hold our memories close. Until we meet again, PJ.

“ Debbie's laugh was contagious. She laughed from the heart and was so genuine. She loved her family fiercely and would be a friend for life. She enjoyed camping and boating and could line dance better than anyone I know. She and Toby demonstrated what love and marriage was all about and they always had such a fun time together. She was a light in this world that will be missed deeply.
