“ *Debra & Donna were good friends to my wife (Phyllis) & I when we were young, we went on vacation to Florida one year together and had a great time with them. You couldn't help but have fun when you were with them, and it was always an adventure.*

They were certainly “strong willed” women, but you wouldn't find any better people this side of heaven.

My wife passed away in January of 2021, the three of them must be the lightning flashes in heaven right now. 🌩️

*God Bless Them All 🙏
