“ *We all have memories of Denise from the good old days of litters of puppies & theme parties at Tack's. Her organizational skills were legendary & she was always just a phone call away if things got crazy.*

Parties around a campfire or couples' dinners out were always a blast. Girls nights out while the guys were gone were always an adventure.

Anybody who met Denise would remember her spunk, her sass, & see how big her heart was.

All memories of Nese bring a smile, a chuckle, or a belly laugh. She was one of a kind.
