“ *Dennis and I (Ricky Reed) were the best of buddies. I am sad to learn of his passing away. Living in South Carolina. I can not attend but my passive thoughts are with you as a family. I only wish that I had more contact with Dennis. I feel that he is in a better place now. We ruled cloverdale subdivision...*

I never worked for Dennis but his father, Melvin, originally hired me to work for Kroger when I was 17. Just nine months ago I retired from Kroger for good after all these years. Dennis was a nice guy and I'm sorry to hear of his passing.
