“ This is by far the hardest thing I've ever experienced or had to go through. To lose the person that was the closest to me in the whole world. It was always “Chris and Shawn”! Thank you for being an awesome big brother and being there for me when I needed you. I'm grateful to have had you in my life and for all the great memories! I can't explain the hurt but I know you're still here with me still....I love you big bro
