“ I’m Dolores granddaughter, Heather Lee Spillman and I never knew she had passed away. Sarah has treated me unkindly and even told me she thought I wasn’t the daughter of Leonard Spillman Jr - after his death she only cared about getting his money which was split between her and myself. It’s not my fault I was taken into protective custody as a young child and never saw my birth father until I was 30 years old after I went searching for him. I just want the truth to be told how Sarah treatment me with disregard and greed. . My Grandmother would have loved knowing I did end up being blessed becoming a mother to twin boys who were born July 2007.
