“ *I myself have felt the loss of several family members over a short  
period of time, and know the pain that this time causes. Even with  
the passing of time, it is still with us. Hoping that the pain lessens  
over time, but the pain of missing them will last forever. Please  
accept my condolences and my God be with you in this sad time.  
Love all the family, and special love for Matthew and Sarah Harrod,  
they miss their Papaw everyday.*
