“ Dear Janice, Dwight & Melaney:

I am so sorry to hear about Donny's passing. I know that he has had a struggle the last few years and now he is at peace with the Lord. I also know that he could not have been more proud of his family. You are his living legacy and you will always carry that part of him in yourself and in your heart. I know that it is hard now, but God will answer prayers that you will be comforted and come to not mourn your loss every day but praise the Lord that he is in God's everlasting care. My prayers and thoughts are with you and hope that you remember all the good times you had as the loving family you are. God blessed you with a wonderful husband and father.
