“ *Words cannot express how much I loved this man. I called him Grandad of course. He is one of the most influential men in my life, and I am grateful that he was. The fact that I get to call someone so amazing my grandfather is one of the greatest blessings of my life.*

“ We are so very sorry to hear of the passing of your Father, Father In Law and Grandfather. Noble Family: Dawn and Don Noble, Lane and Chaney, we are praying for comfort for you all during this time. May you feel the prayers being said for you all and your family. Don Penn was a wonderful man of great faith, and love for Jesus and he loved you all- all of his family and friends so very much! He always loved to be around others and smiled at everyone he would meet. We were blessed to know him the past several years going to East Frankfort Baptist Church. The last time we got to eat with him was when Lane brought him out to eat with our small groups EFBC and he seemed to love it! He was smiling the entire time and so proud of his family. Thank you all for sharing such a great man with us, to know him as our dear friend. Don was a man of great character, service for his country, love for Jesus and his family and friends. We love you all our sweet friends and will continue to pray for you all especially the days ahead. What a life well lived..... Don Penn.
Blessed are those who mourn, for they will be comforted. (Matthew 5:4)
I consider that the sufferings of the present time are not worth comparing with the glory about to be revealed to us.(Romans 8:18)
