“ Donald C., As Letcher always called him, was such a force of nature. He was a master at anything he attempted to do. Whether at the FFD, building houses, or working in wood, he was so talented. Letcher always admired DC's work ethic, something they shared. It was obvious he had a zest for life. Bonita, their children & grandchildren were the light of his life. Please know that we share in your loss. DC & Letcher had a special bond. Let us know of any way we can be of help. Prayers to each of you, and "C", Eddie, and Willie Joe.
