“ *Terry and Family,
May you find comfort in knowing that your loved one is now walking or running down the golden streets of heaven as if he was a young man again, in no pain and feeling great, probably whistling the theme to "Happy Trails", "Andy Griffin" or maybe "Bonanza"!*

It's difficult to loose a loved one but when it's your father/parent it is a totally different feeling... I've lost both of my parents and there's not a day that goes by that I don't think of them... Even though you're hearts are breaking and the pain feels unbearable you will get through this... take the time to truly grieve your lose and let the LORD guide you!

You are in my thoughts, heart and prayers!!!

Love to you and your family my brother in jesus christ :)
