“ *Ryan and Jimmy,*

I was deeply saddened to learn of Donna's passing. Although it has been many years since we last saw one another, I distinctly remember her vibrant sense of humor and her kindness to all of us who came by to hang out and raid her refrigerator. You, and your entire family, are in my thoughts and prayers during this difficult time.

*Warmest regards,
Mark Ison*

“ Jimmy and Ryan,

I am saddened to read of Donna's passing. Though it has been 30 years since I've seen your family (back in the days when I worked at FEWPB in the summers), I still vividly remember Donna's smile and love of family. I specifically remember how much fun she had learning to play the piano along with a young Ryan. May you find peace during this difficult time.
