“ I remember first meeting Jane after moving to Kentucky. We were in the back seat of a car; riding together to go visit Johnny and Patty Harrod. Jane was holding my son Adam (just a few months old) who was all wrapped up in a bundle of blankets...all of a sudden she began laughing because she realized she was holding him upside down...she was always a kind person to me, and I will always remember her with fondness and respect....sincerely, Jan Chamberlin
