TC

I am saddened to hear about the passing of Doris last night. It has been my pleasure working with her the past six plus years. She was such an impressive person. She was sharp, articulate, and insightful. She knew what she needed and was focused to have all in good order. It was clear from the first meeting she was a woman of faith for her Lord, devoted to her husband and passionate for her family. She had an accomplished career and successful business owner. I know I will miss her smile, quite spirit but have such confidence she is at rest. I celebrate her special life that touched so many. I am confidence their will be a grand reunion! My prayers with all.
