“ *To the Family -*

I was on military duty in Washington DC and just saw the obituary for your mom. I want to express to you that I thought the world of your mother.

I talked to her a couple of years ago and told her what she meant to me. I am retired from Ky State Police but still in the military serving as a Colonel assigned to the Pentagon. We talked about 'Cyndy' stories and we had several good laughs. I told her that because of her positive influence and morals, that she kept me in line when I was with you guys. She was a very special person and I'm glad I got to tell her how special she was to me. She seemed to really enjoy our conversation.

Again, I'm sorry for your loss and will say a prayer for the family. She was an excellent mother.....and I loved her.
