“ I love thinking of Doris and Mary Anne reuniting on the other side, laughing it up and discussing all of us. Doris was fun and funny. I found her entertaining and insightful. Loved being around her. So glad I knew her. God bless you all.

“ Tutt, Molly, David and Skeet,
I think you all know how much I loved that mamma of yours. God love her, she had to keep mine in line when she got so bad, and we had several wonderful conversations along the way. She was the epitome of fun loving with a zest for living life to the fullest. Our world is a lot darker upon losing her but oh what a party is going on in Heaven! I cry for all of our loss, but especially for the four of you and yours. Hang onto each other, it's a struggle that eventually we all must deal. Prayers for comfort knowing she is no longer dealing with that horrible disease but healthy and happy.
Nothing but love, always,
Dawn
