“ *Gone is a mother loved by all,
Her soul is now at rest.
Sheâ€TMll sleep in peace, her work is done.
A motherâ€TMs workâ€”â€”the best.
Sheâ€TMll know the joy of perfect rest
In heaven up above,
Where she may dwell contentedly
Protected by Godâ€TMs love.
Our hearts may grieve that she must lie
Beneath the sacred sod,
And yet we know she lives in peace
Within the house of God.*

“ To the family of Mrs Dorothy Addison,
I wish to extend my sympathy and prayers to all of you at the passing of your loved one. I can't imagine a world without my parents, I know that we are here for such a short time and that we are hoping and living lives to insure our being in a Better Place when we die. It is only human that we want our loved ones with us here for as long as possible. We have their memories in our hearts and minds to daily remind us of their footprints on our lives. The things that they taught us as children and the warm hugs they bestowed on us when we were hurt. Whether as children or adults their love was unrelenting and always there. These things we cherish and do not give up just because they have gone to a better place. Please know that you have a support group in your family and friends. Don't be afraid to use them when you need something or just someone to talk to. The coming days are the most difficult but my prayer for you is that God will watch over you and give you a sense of peace and comfort.
