“ Aunt Dorothy was such a sweetheart. Even though I did not get to see her very much, we still kept in touch by phone & letters. She was some one I could talk to about anything & everything & she never judged. Aunt Dorothy was a happy person & when I was younger I loved getting to spend time with her. As the years passed, it was phone & letters. She was always in a good mood, and always very active. This is not "goodby" as one day I will be with her again on the other side. I love you, Aunt Dorothy!

“ What a beautiful lady, inside and out. The first time we met Dorothy, it was instant friendship. She was one of the kindest, warmest people we ever met. We'll miss seeing her smiling face the next time we visit Frankfort.

“ Dorothy was such a blessing in my life. Just by being the kind, caring, loving person she was and from observing how she approached her life, she taught me so much. Lessons I will carry always with me, and she will always have a special place in my heart. Her family meant the world to her. My thoughts and prayers are with you at this time of lose of such a dear, dear person. Love, Ramona
