“ A very sweet cousin, always loved, who was named after my mother. I saw her a couple years ago, wasn't aware she was sick. Wish I had known. If a family member would call me, I'd appreciate it. 502 319-1268. May she rest in peace with all our other family members.

“ Susie me and you always had a special bond growing up, I always tried to protect you when I could, and made sure you had what you wanted. We had great times and bad times, you watched out for me and I watched out for you. You have the BEST two daughters anyone could ask for, they took great care of you through out your illness, God Bless them for that. One day we will be back together again and you will be holding open the Pearly Gates for me, love and will always miss my sister, best friend, your brother (as you always called me) MY MIKIE
