“ *Dear Penny, Morgan and Philip,  
I was so sorry to hear your sad news. Your mother was a very special lady, who was much loved by every member of our family. I certainly wish that I could be with you at this time, but Lee and I now spend the winters in southern Florida and will be here until mid-April. You will be foremost in my thoughts and prayers while we are away and I will continue to pray for comfort in your grief.  
Much love,  
your cousin, Sally*

“ *Dear Penny, Morgan and Phil: We are all so sorry you're mom passed. Alice was also very saddened by the news. I bought nonrefundable tickets to Florida to visit Alice and won't be able to join you at the visitation but I want you to know that my thoughts are with each of you. You had a wonderful mother and we all loved her dearly. Love, Tim*
