“ *Teresa and Wanda, I'm so sad about your mom's death. Dorothy played a significant roll in my childhood. The night of my brother's wreck she was there for my mother. When I got my ears pierced for the first time, Dorothy did it using an ice cube and a needle. She made the best Mac and Cheese because she used big shell macaroni and lots of cheese.*

*There are so many more wonderful memories I have of your mom but these are the three that stand out.*

*I'm thinking she and mom have already met up in heaven and that is comforting to thinking about.*

*I'm sending you love and prayers.*

“ This lady was a blessing and a light at Capitol Avenue Day Care. We loved her so much!  
I will never forget her smile, her good food cooked with “love,” and her love and dedication to children.  
We were so fortunate to have known her!

My 3 year old daughter loved “helping” Ms Dorothy cook at Capital Avenue about 20 years ago. As a mom, I loved her for her care & compassion for all of the little ones.
