“ *To the family of the late Dorothy Jones: This was such a shock to me. Indeed, Ms. Dorothy was a friend to me, a mother I could talk with away from home. While it saddens my heart, I know Heaven is rejoicing as they gain another angel. Good night Ms. Dorothy, I will see you some glad morning. Until then family, walk together, pray together, stay together. If I can do anything, please do not hesitate to call me. Judith La Rone Perkins, Jeffersontown, Ky. 40299*

“ *Although I did not get to see Dot as often as I may have wished. I always considered her and her family as good friends. With good friends you do not have to see a friend to know a friend. When I would meet her or her siblings it would bring a smile to my face and the memories of times gone by. Sharing this planet with Arthur and Dot was a joy. She will always be a happy memory with a smiling face. I too will miss her.*

“ *May the love of God continue to comfort and strengthen you this day and the many days ahead. She was a blessing to those with which she came in contact. Among His many many promises, He is a very present help in time of trouble.*

“ *It was a great pleasure of my life to have met and spent time every week with Granny Dot. I was her Humana nurse, and loved every minute I got to spend with her. I think she may have taught me more about life, love, and family than I taught her about health! I will miss her so much. My Wednesday mornings will never be the same. Her family will be in my thoughts and prayers*

“ *Venessa And Family. Its sad to lose someone in death. What helped me the most was prayers and faith in Godâ€™s promise at Psalm 34:18 â€œGod is close to the broken heart: he saves those who are crushed in spirit.â€ For more comforting scriptures, please visit: <http://bit.ly/1K38EFt>. Godâ€™s Kingdom that Jesus taught us to pray for will bring about these wonderful promises. My prayers are with you at this difficult time. I you wish to contact me at: ikeyes@msn.com.*
