“ *To all my cousins and family of Uncle Genie:*

It is with a sadden Heart that I have to write this, but I know that I must because of the Love and Respect that I have for all of you and especially of Dottie. She was indeed a special child of God and I know a beautiful sister to all of you. I never realized that she had your Mothers middle name and what a glorious tribute to your Mother and I know Uncle Genie was as proud of her as He was of the rest of you. So, in conclusion, My prayers are with you all and God has another angel to sing in his choir.

May the Lord be with each and every one of you in the days ahead as only he can. I also pray that you get this message.

Respectfully-Clifford H. Clark
