“ I was deeply saddened to hear of Ed's passing. I knew Ed for many years, he worked at Rand McNally around the same time I did. After that, we both went different directions, which brought us together again, him in the printing business., and me painting and needing prints printed. He was so encouraging, and helpful, Grace was right there with him working and doing her part to help the business. I want to thank him, and his family for all the help they gave me to enhance my artwork in a way no one else could. Thanks so much for being a part of my business. Love to all of you and prayers you will be able to go on. Lois Todd

Sorry to here thus. I had not seen him or Cookie in a long time but remember him when I was younger and came down to Kentucky to visit. Very nice guy. My prayers are with Cookie and her family.

So many memories. All the gospel concerts we went to. The church picnic and skeet shoot at the house and we tried to blow it up with a grill fire under the bulk gas tank. The many deacons meetings we shared, some of them fun, some not so fun but he was always a voice of calm and reason. He was a man I respected and showed his faith regardless of the setting.
