“ *I am so sorry for your loss. I know what the loss of your parents feels like. But I also know that the love of a large family like yours will help in your healing. My own Dad will soon be gone 2 years and my own brothers and sisters still cling tightly in our parents' memory. I am sorry I could not be there for you all, but you are all in my prayers and thoughts.*

“ Thoughts and Prayers to Jeff, Eddie, and the entire family. The Harrod family are a wonderful group of folks that I have had the pleasure to know and be around as they were and still are a part of our "racing family". May God Bless you all and provide you with comfort during this trying time.
