“ *Nanny, as of today, it has been a week since you have gone home to be with the Lord as well your parents, brothers and other family members. I truly so miss seeing your pretty face, beautiful hair and lovely smile. Nanny, I am so blessed to have you as a grandmother... looking back, when I was young, I remember the days(summer break) we would watch all the soaps in the afternoon; go on shopping trips with you and Helen; my first airplane ride with you(going to Arizona to visit dad); the time I wrecked your gray Buick and you saying the first ever(in front of me) not so nice word; and especially the times I would help you with the flowers for your mom, dad, and brothers(Memorial Day). I will keep this legacy going for you. Also, I want to thank you so much for all you have done for me over the years. You will always be with me in my heart. I look forward to the day when I see you again.*

*I love you very much,
Kimberly(Joan)
