“ *Edna,
With each passing day I know we'll meet againâ€¦let
our hearts be reminded that nothing can ever take away the fun
times we had, and the friendship we shared. Though you're no
longer here memories of you will live on in my heart forever, for the
heart never forgets. I truly miss you.*

“ Aunt Edna was one of my favorite aunts. She was always my friend and ready for a friendly chat and a cup of coffee. I considered her my "other mother". We want to express our sympathy to the family and send our thoughts and prayers. Aunt Edna will be sadly missed.

“ *Edna was my very best good friend, fellow quilter - and my "ask-a-nurse". One of the things I missed in moving to Arizona was the ability to see her day in...day out. Phone calls just don't do the trick. I will really miss her - and every time I sit down to sew - I will be thinking of her and the lessens she taught me.*

My condolences to her family - I know she loved you all very much...and was always telling me stories and fond memories of you.
