“ I worked with Edna and her family for 17 years at Union Underwear, and admired the way she looked after her family. Losing your mother is one of the hardest times that you will ever go through. Keeping all of you in my prayers, and know that God is there with you. God bless you all.

“ I was so sorry to hear that Edna Mae had passed away due to a stroke. I thought so much of her and was so happy to share Sunday School Class and church with her for several years. I was glad when she moved to Midway, just down the street from him, and sad when she decided to move back closer to her family but fully understood. I was proud to be her friend. With Love, Doris B.
