“ *I just learned last nite of the passing of Ed. I'm so very sorry to learn of this. Ed did printing for me when the jobs were too large for us to complete at AOC. He and Roberta lived across the street from me and Gene for many years. Their cats & dogs were beautiful and they'd drop by with the dogs on their daily walks. When Gene passed and after they moved he'd still stopped by and checked on me. The last time he stopped he said he was having some tests run and he'd get back with me. He was a kind and loving man. I'm so sorry for your loss. Pam*
