“ *Alexis and Jason, sending thoughts over Kentucky way this week. Wishing the past many years had held better memories of your dad but his suffering has come to an end. I hope the loving and fun times will remain in your memories of Eddie, as they are for me. He had that smile so huge that reminds me of his mother, my Aunt Wilena.
Blessings,
Beth*

“ *Eddie went to our church as a teen. We became close and hung out some. I lost contact with Eddie before Jason was in school. Tried to locate him about a year ago. You are in my thoughts and prayers.
R.I.P. Eddie.*
