“ I sure will miss my messages on Facebook. When daddy was sick you checked on him constantly and we love you even more for you caring about Dad. I know he was there to greet you with a big hug and his pretty smile. You loved your family so much especially your grandkids which you knew Kelly and I are super tight and you loved it. He and I always will be and we know we have 2 angels watching down on us now. I love you Aunt Libby.

“ I met Sis, Cathy and all the family in the Summer of 1979 when I moved to Frankfort. Your Mom gave me a place to sleep and food to eat when I was finding my way in a new town. I've never forgotten her warm smile and genuine kindness. I hold all of you close to my heart. Rest in Peace 'Lib.
