“*My family had the wonderful pleasure of sharing our son (Dakotah), daughter-in-law (Camry) and two amazing grandsons with Eloise and Tommy! You see, Eloise and Tommy were the “adopted grandparents” to Camry and her sister, Haley. When Chris and Marie Varney moved to Frankfort many years ago, they had no family here but each other. They attended church and were taken in (adopted) by Tommy and Eloise as family. No, they were not related by blood, but their shared love for Christ and each other was evident! During the last almost 10 years, our family (Lewis, Dakotah, Amelya and I), was taken in by them as well. There was not a birthday, grandparents day, or just weekend celebration that they were not a part. They truly were the “second grandparents” to the Varney family and by extension our family (Waters). You have both left a huge hole in our hearts that can never be filled, but there is comfort in knowing that we’ll all be together soon. It was an honor to be included in your sweet circle of family/friends!*”
