“ *Pam, Donna and families, My heart is breaking and the sun shines not so brightly these days. We know she will be greatly missed. I have some fun memories of our trip to New York City..Statue of Liberty, carriage ride in Central Park, top of Empire State Bldg and her picture with King Kong. You made sure to take such good care of her these last years and I pray that effort gives you peace now. Love from Aunt Lois,Doug and Kathy*
