“ *I was so sorry to hear of Dorman's passing. I worked with and for Dorman for many years. He was a kind and understanding person. It was evident how much he loved his wife and family. No matter what was going on at work, if his family needed him in any way he would drop everything and be there for them. I feel Blessed to have known him and to have walked a few steps with him through his life's journey. My condolences to all his family. Please find comfort in knowing that your sorrow is shared by all whose life he touched.*
