“ *Rebecca please know you are in our thoughts. Zach and Shelby.....always know how lucky you are to have had such a wonderful Grandma. When Petey learned of Mrs. Blevins' passing he cried saying what an impact she and T-Daddy had on his life growing up. We will forever be in her debt for her kindness to him and all around her and will remember her with great fondness. Your hearts are heavy right now, but her spirit and memory will allow you to smile very soon. We send our most sincere condolences to the entire family.

“ Patrick,

I was so saddened to hear about your mother. You were very fortunate to have her in your life for so long, but it certainly won't make the loss any easier. Nothing can replace your mother but know there are many of us who have been there. Be strong, it'll be hard for a while but will get better. We'll be thinking of you and your family here in Bowling Green.
