“ I am writing through tears. Mr. Woodside has been our once-a-month friend for more than 11 years! For monthly we stopped in his shop to buy mealworms for our unusual pets. He kept their pictures on his wall. We marveled together at the age of the pets and we told him it was because he provided such good food for them. He was always such a gentleman and so easy to talk to. We looked forward to the visits because they became so much more than buying bait. They became visits that we all seemed to enjoy. I'm sure he went straight to Heaven ... He seemed to have earned his wings a long time ago. But, Oh. He is already missed. Love from Charli and Furri.
