“ *I really don't know where I should start because there are so many good things I could say about my great grandmother. She was an amazing lady and a role model to us all. It is truly special and rare to meet a woman as faithful to god and her husband. They don't make them like her anymore and she will truly be missed. God gained another angel today in heaven. Can't wait to see you on the other side. Love, Sean*

“ She was my Mem-Maw and I was her Gracie. Many times, I was her "Freida, Vickie, Angela Grace!" Papa always tried to joke with me when I was little and would say, "Dumplin, she's run off with that Mexican!" But I never believed him because I knew they ONLY way she would EVER leave her Gracie, was when it was time to run off with Jesus. And she has! I love you Memmaw! Give Momma a hug for me!

“ what a special mother-in-law I will miss all the hugs, your smiling face but most of all I will miss you. We were together till the end. We told Willie we will see his Memaw again one day. He still waits by the door but doesn't understands. We hope time will heal all of us but probably never will. Love, your son-in-law.

“ I will miss you and love you all the days of my life. God couldn't have given me a more special woman to call Mom. I will miss our days of shopping, nights of Wheel of Fortune but most of all my best friend. You were one of a kind. I was and always will be proud to say "That's my Mom". Rest in peace until we meet again. Love forever and a day.
