“ *My sympathy to the Cammack family. My family lived in the duplex next to Bill and Evelyn from 1967-1971, and we lived further down Todd Street until 1976. I was only a child then, but have many fond memories of our time spent with "Bill and Evelyn". In quotes, because I rarely heard their names spoken separately. She's with Bill again and with our heavenly father.----Ken*
