“ *My dear Meemaw, I'm continuously thinking of you. I hope you are rejoicing and visiting with your loved ones that went before you. I'm sure this was your best Christmas ever. It's so very hard accepting your absence. You are the best woman I've ever known, I hope to be half the woman you are. So many looked to you for answers. I thought we had a special bond, I know now you share that same bond with every life you touched. You are truly an inspiration and will forever be missed. With love always. Amy.*
