“ Dear Prissy and family,
Eddie and I just heard about Faye's passing and just wanted to send our expressions of sympathy. We are in Fl. for the winter and I pull up the State Journal every day and just saw it today. She was a very sweet person that I enjoyed knowing and working with at the bank. She had an unforgettable smile. I was sorry to see that she died on Dec 25 because daddy died on Dec 23, 10 years ago and the Christmas holidays somehow seem to always have a cloud hanging over that manger scene. No words that I could say at this time will amount to anything worthwhile, but I will certainly speak to the One that can bring peace and comfort during this time. May you all be able to salvage some type of positive times during these sad days and may the new year bring you better health. Love Ed and Sue Carole Palko

“ My prayers and thoughts are with you all, as they have been for quite some time...I will remember her smile most of all...I don't think I ever saw her without a smile on her face...she reached out to me after the death of my daughter, which meant so much to me...she will be missed by all that knew her...
